

This handbook is designed to assist with frequently asked match day questions, from security and referees to clash strips and ground conditions.

FV recommends Clubs issue a copy of this handbook to team managers to assist them throughout the season, regardless if they are home or away.

This handbook is issued as a guide only and is *based on the 2019 FV Rules of Competition and Regulations*. Rules of Competition and Regulations always take precedence. FV will review and update this document yearly and welcomes feedback from anyone involved in the match day delivery of football.

Fixture and Venue Information

I have been told a different time/venue for my fixture to SportsTG.

 Always refer to fixtures displayed on the FV website (www.footballvictoria.com.au) for the correct fixtures.

Unsafe Playing Conditions

We have turned up to our fixture and in our opinion, the ground is not safe (no 3m runoffs, poorly constructed goals, ground is flooded etc) what do we do next?

- Raise your concerns to the appointed referee who can address them with the home club prior to kick off.
- If the referee cannot solve the problem, or none is appointed, address the issue with the home club prior to kick off.
- We encourage clubs and referees to play when possible, however if conditions are unsafe, please provide photo evidence of playing conditions and report to FV Competitions immediately via competitions@footballvictoria.com.au.
- FV Competitions will investigate any issues submitted. Any team deemed to have not participated in a fixture without a valid reason, will have as a minimum, a 3-0 result recorded against them.

Playing at a Neutral Ground

We are the home team but playing at a neutral ground. What responsibilities do we have (e.g. balls, first aid and equipment)?

- It is the first named team's responsibility to ensure their venue (home or neutral) has all the correct equipment including balls, stretchers, first aid etc.
- If you are unsure about equipment availability at a neutral venue, contact FV Competitions at least three (3) business days prior to the fixture.

Playing Attire

The opposition team has arrived in a strip that clashes with ours or the referees, what happens next?

- The referee and teams are to make every attempt to have the fixture to take place.
- It is the away team's responsibility to provide an alternative strip that the referee deems does not clash with the opposition or referees.

	MSL	WSL	JUNIORS	METRO & MASTERS
SHIRT	NO CLASH ALLOWED	NO CLASH ALLOWED	NO CLASH ALLOWED	NO CLASH ALLOWED
SHORTS	CLASH ALLOWED	CLASH ALLOWED	CLASH ALLOWED	CLASH ALLOWED
SOCKS	NO CLASH ALLOWED	NO CLASH ALLOWED	CLASH ALLOWED	CLASH ALLOWED

- The away team will be deemed to have forfeited the fixture if they cannot resolve within 15 minutes of the kick off, provided the home team is wearing their nominated home kit colours as stated in the 2019 FV Strip Report.
- Where there is a dispute over playing strips, FV will investigate the matter.

What visible attire can a player wear during a match?

GOALKEEPERS	Permitted to wear peaked caps and tracksuit/jogging pants.

Match Ball Requirements

How many match balls are required and who provides them?

- The Home Club shall provide the appointed Match Official with three (3) match balls of the appropriate size for that age group as stipulated in the Playing Formats section on pages 24-26 of this document;
- Clubs must use a licensed match ball from a FV licensed ball manufacturer;

For ball purchases, FV recommends contacting Gerrard Woods (Sportsmart) on 0402 407 301

The home club has not provided the required number of match balls, what do we do?

- As long as one ball is provided the match should go ahead.
- The referee MUST provide a report of any incident regarding match balls to FV.

Stretchers & First Aid

There is no stretcher and / or first aid kit at the ground, what do we do?

- The home club must allocate one (1) stretcher per pitch and one (1) First Aid Kit per pitch.
- Inform the referee if there is no stretcher and he/she will submit a report to FV.
- If there is no referee, the clubs must submit a report to FV.
- The match MUST still be played.

Player Identification Cards

The opposition junior teams do not have ID cards, what do we do?

- Player ID cards are not required in ALDI MiniRoos or senior competition fixtures.
- Player IDs can be presented in paper form or electronic form and must be generated as per Regulation 10.1.2.
- A match official, cannot stop a suspected ineligible player from playing. FV encourages that all fixtures are to be played, regardless of teams failing to provide ID cards.
- After the conclusion of the fixture, please send an email with all necessary details to competitions@footballvictoria.com.au

No Official Referee

No official FV referee has arrived at our game, what now?

- The next most senior Match Official will take charge of the fixture.
- If no registered Match Official is present 10 minutes prior to the fixture, both clubs will have the opportunity to agree on a replacement.
- The home club must appoint a referee if no agreement is reached by kick-off time
- A replacement referee can be a parent or club official that knows the relevant Rules and Laws
 of the Game, for further information go to pg 16-17 for Club Referee Guide.
- FV recommends that club volunteer referees have a Working with Children Check (WWCC) and to always have someone with a WWCC on hand at home games.
- If any match does not kick off within 15 minutes of the scheduled kick off time due to the absence of a Match Official, the home team will forfeit the fixture.
- All Clubs must fulfill all fixtures, regardless of whether a Match Official is present to take charge. Failure to do so may result in disciplinary action.

Match Records

A player does not know their FFA ID number, can we still list them on the Match Record?

- All players in all competitions (except ALDI MiniRoos) must have their first & last name and FFA ID number. Failure to do so may result in disciplinary action by FV.
- For junior competitions, all player details can be found on the player's ID card.

When do Match Records need to be submitted to the referee?

- For all competitions they must be submitted at least 30 minutes prior to kick off.
- If a mistake is made after submission, immediately raise this to the match official to rectify. Do not make an amendment without notifying the referee.

What details need to be completed on the match record?

- Match details (Date, League Name, Round No., Home vs. Away Team, players of and Venue)
- Player (Shirt No., Surname, Given Name, FFA ID Registration No.) and Team Officials
- At the completion of the fixture complete the Match Results (Half Time and Full Time Results) and ensure it is signed by both teams and the referee.

Are the first 11 players on the match record the starting 11 when subs are involved?

- Yes. If there is any change to this, notify the referee prior to kick off.
- Do not make an amendment without notifying the referee.

THE MATCH

Delayed Kick-Off / Shortened Halves

We have arrived at the ground to find out our match has been delayed for more than 15 minutes, what do we do?

- FV aim to ensure as many matches get played so if you can wait and play the match, do so.
- If the match does not go ahead because of a delay it will be treated as a postponed match and investigated.

It's 5 minutes before kick-off and the opposition team has not arrived. What should we do?

- If you have the contact details for your opposition, attempt to contact them.
- Teams have up to 15 minutes after the scheduled kick-off time to be ready before the match is deemed to be forfeited.
- The team present must still sign the match record.
- The Match Official will report the incident and FV will investigate and the match official fee must be covered by the offending team.
- If no Match Official is present, contact the FV Competitions Weekend Line (0478 456 777)

The Match Official has shortened each of the playing halves. Can they do this?

- The Match Official may cut short any Match if, in their opinion, playing conditions compromise player safety (e.g. insufficient lighting), or if there will be a time impact on the following fixtures at that venue.
- Any changes must be made prior to kick off through consultation with the coaches and captains of each participating team.

 match dispute arises and for the purpose of determining a player's eligibility for finals.

We disagree with a detail recorded on the Match Record. What can we do?

- Circle the detail (card, goal or a player eligibility) and initial next to it prior to signing the match record to ensure all parties are aware.
- Submit a Post-Match Submission Form (available on our website) with a copy of the match record for investigation within 7 days of the fixture.

Ineligible Player

We believe the opposition has fielded, or is fielding, an ineligible player (over-age, suspended, too many matches in a higher league, etc). What should we do?

- Raise the query with the Match Official who can check player ID cards, if it is a junior competition fixture.
- The referee **CANNOT** stop a suspected ineligible player from participating.
- The referee MUST report the query being brought to their attention by the opposition club as an Incident Report.
- If the suspected player participates in the fixture, the opposition team must still play the fixture, or they will be considered to have failed to complete a FV competition fixture and therefore be subject to disciplinary action.

Submitting a Request for a Match Investigation

- During the fixture, the opposition team should take photographic or video evidence of the suspected ineligible player participating in the fixture to submit with the match record to FV Competitions. This evidence can only be used for this purpose.
- At the conclusion of the fixture, circle the player who you have concerns about and sign the Match Record.
- Player ineligibility will only be investigated by FV if a report is submitted within 7 days of the fixture. The opposition club must forward a copy of the signed Match Record with the player circled, along with any photographic or video evidence and any other relevant information to FV via the Post Match Submission Form (available on our website) for FV to Investigate.

Player Dispensation

The opposition say they have dispensation for an older player to play down, do they need permission for this?

- Yes
- The team must carry written approval from FV with them on match day and must be able to show the letter to the match official upon request.
- These players still need an ID card as per normal.

The opposition say they have dispensation for an older player to play down, what happens if they are unable to show the letter to the match official upon request?

- The referee **CANNOT** stop a player with dispensation from participating in the fixture if they are unable produce a dispensation letter.
- The referee and opposition team must submit a request for a match investigation to confirm if the player has been granted dispensation to play by FV or not. This must follow the process as outlined on Page 11 for an ineligible player.

Under what circumstances are Player Dispensations granted?

ALDI MiniRoos Competitions

- ALDI MiniRoos players can move freely between age groups (Under 7 to Under 11), playing
 above or below their age group as determined by their current stage of development. It is
 preferable that participants play down one (1), or no more than two (2), age groups.
- Clubs with U12 First Year players participating in ALDI MiniRoos Competitions should request a letter of dispensation from FV to have present on match day.
- For more information please refer to the Victorian ALDI MiniRoos Guidelines: http://bit.ly/MiniRoos2019

Sportsmart Junior Competitions

- The player is not capable of competing in their rightful age group based on sufficient medical evidence.
- For other reasons approved at FV's discretion.

- For insurance claims, go to <u>www.gowgatessport.com.au/football/</u>

CPR11 Safe Sport

CPR11 can be downloaded as an app on iPhone and Android.

Sudden cardiac arrest (SCA) is a vital emergency that may occur on the football field. When it happens, we should all know how to respond immediately.

In a simple way and in just 11 steps, the CPR 11 application offers a plan with clear and precise instructions on how to give compressions and ventilations correctly, how to handle an automatic external defibrillator (AED) and if necessary, how to transfer the player.

With the help of text and voice messages, the 11 short videos will help you recognise a SCA and meet the objective of starting resuscitation maneuverer in the first 2 minutes and early defibrillation in the first 3 minutes after the player's collapse.

The application has been designed taking into account some of the specific characteristics of SCA cases during contact sports, such as football, like taking special care of the cervical spine when handling the player.

CPR 11 is a guide that may be very useful for anyone (players, coaches, referees, relatives, spectators, etc) attending sports events of any level. It is not a substitute for proper training in cardiopulmonary resuscitation (CPR). We recommend everyone to receive formal instruction in CPR and AFD use

Download the application and share it with everyone. Showing these techniques to the greatest number of people, will help in saving lives.

I have arrived at the ground and it is underwater

- Ensure every attempt is made to remove the water from the pitch to have the match played
- Wait for the Match Official to arrive and make a decision

There is a kit clash between the two teams.

- It is the away team's responsibility to ensure there is no clash
- If a clash exists, turn the kit inside out and tape numbers on the back.
- It is both team's responsibility to ensure the match is played if possible.

I have submitted the match record but realise there is a mistake or I need to make a change.

- Talk to the referee at a break and inform them of the amendment to the match record that is required
- The referee with then determine if the amendment will be accepted and amend accordingly.
- Once amended, the referee should notify the opposition of the amendment, so that all parties
 are aware
- Do not amend the match record without the match official's approval, otherwise penalties including but not limited to fines, loss of points, can apply.
