Our Objectives

- To remain **community focused**, be affordable and accessible to all membership types
- Implement Child Safety measures across the club to ensure a Safe, Friendly and Inclusive environment
- Implement and support "Respect of the game" policies
- Accommodate and all playing levels for both boys and girls' teams

Coaches

The role of the Team Coach is to set structure for training sessions and effectively guide the development of their players in the 4 key areas as outlined by Football Australia, being "First Touch", "Striking the Ball" "1 v 1" and "Running with the ball".

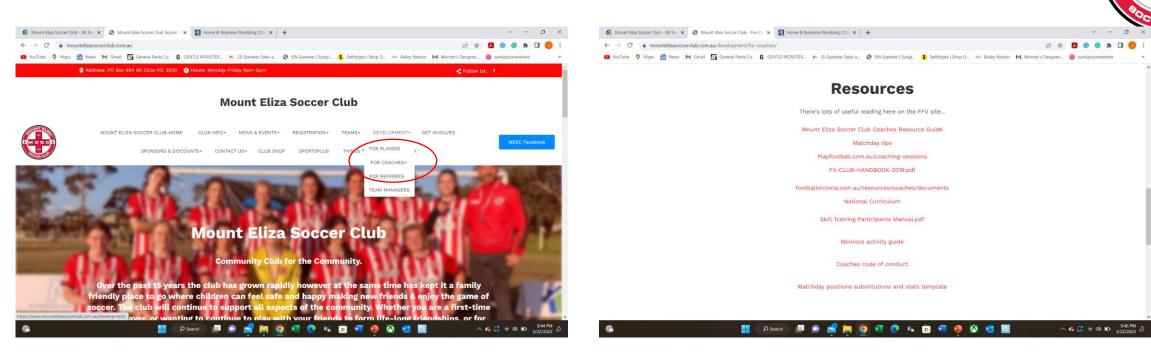

Our club coaches are supported with Football Victoria's accredited courses that are provided free of charge. We also provide weekly session planners and coaches support by MESC Technical Director Gary Talbot.

We hope all our club coaches provide encouragement, motivation and feedback to all players and promote the rules of fair play. Coaches will also need references and Working with Children Checks.

If parents have any issues with a coach, they should be encouraged to talk to their Team Manager who will in turn discuss any concerns with the coach directly. If an issue cannot be resolved, the Team Manager should escalate to an MESC official.

Referees for Junior Teams (Miniroos)

All teams under 7 to under 11 ages groups must supply a volunteer referee for all home games. Your Team Manager may ask you, as a parent, to help out with referee duties. The club offers referee training for those that feel like they need training. Without volunteer referees we are unable to play any games, so your support will be greatly appreciated by both teams on matchdays.

Referees - U12 to Seniors

Football Victoria provide official referees for all games for ages U12 and up, this cost for referees has been built into the cost structure for your child's fees at the start of each year. Please ensure you respect all referees both volunteers and officials and promote a safe and friendly environment for both players and officials alike.
