November - Tuesday 9th 16th 23rd and 30th

Mount Eliza Soccer Academy is pleased to announce our November 5 v 5 & Skill Development Program. With restrictions likely to be eased, November will be a great time to get the boots on and get back out kicking a ball with your mates. We have scheduled to commence Tuesday November 9th, followed by 16th 23rd and 30th. Our all-inclusive program is overseen by our Director of Football and Academy Head Coach Gary Talbot. It has been put together to ensure that players can develop their skills in a fun and safe environment. Sessions will deliver, five to ten minutes of 1 v 1 Ball Mastery Skills, followed by fifty minutes using those skills in 5 v 5 Small Sided Games. Players can choose to play with friends or can be placed into teams, with teams rotated every 10 minutes. This will allow all players to use their skills against a wide range of opponents. Please note this sessions will be conducted under covid safe guidelines and subject to Government health restrictions.
